

July 2016

Dear St. Eugene Families,

Welcome to Kindergarten! We are excited that you will be joining us in the fall for the next step in your child's educational journey. Enclosed you will find summer activities to work on with your child. Please know that there are a variety of flash card games for different developmental stages.

While working with your child this summer please keep in mind that it is ***NOT required*** that your child enter Kindergarten with the ability to identify all letters and sounds. Children are expected to master letter recognition and sounds by the ***end of Kindergarten***. The flash cards are simply a fun way to practice the skills over the summer. Some children may be ready to read the sight words included in the packet. If your child is not at this stage, please do not "force" your child to memorize the words. The recognition will come during the school year and you will see the growth in your child.

Included in the packet is the supply list, uniform information, and the new school hours for the 2016-2017 academic year. As the school year approaches you will receive information about Kindergarten Orientation. Should you have any questions please feel free to call the school office. Have a wonderful summer!

Sincerely,

Lauren Lewis  
Principal  
St. Eugene School
